Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. This book is a look at the interface between mathematics and science theory, discussing some points that seem so obvious as to be always overlooked. the redefinition of the concepts of Zero and Infinity and the description of Signed Numbers as having a duality of magnitude and operator designation, represent fundamental changes that, might have impact in mathematical theory and formation of scientific mathematical models.
