Bookouture, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Gifted criminal profiler Nathan Radley has a unique way of thinking that allows him to empathize with the twisted killers he helps capture. But Nathan a dark secret. He has more in common with the criminals he hunts than anyone could dare to imagine. He lives in constant fear of losing control of his own dark desires. When the headless body of a policeman is dragged from the Thames - an exact enactment of one of his oldest and darkest fantasies, only ever confessed in the pages of his teenage diary - Nathan finds himself the main suspect in the most twisted case of his career. Someone has his diary and is leaking pages to frame him for the disturbing murders he has spent his whole career trying not to commit. As more bodies surface and more extracts are released, Nathan has no choice but to go in search of the killer to clear his name. He knows it's someone dangerous, he knows it's someone he trusted, but how many precious lives will be lost before he can work out who? A nail-biting and unputdownable thriller that fans of Peter James, Angela Marsons and Rachel Abbott will adore.
